

**EYFS or KSI TEACHING ASSISTANT (fixed-term)
WIMBLEDON COMMON PREPARATORY SCHOOL**

THE SCHOOL

Wimbledon Common Prep School (WCPS) is a pre-preparatory school for 175 boys aged 4-7 years. We provide a well-structured education that aims to instil a love of learning in a friendly, welcoming and attractive environment.

The School was founded in 1919 as a preparatory school for King's College School (KCS) and other public schools. The premises were originally in Wimbledon High Street but in 1957 the then owner acquired the current building on the Ridgway, opposite King's, where the school is now situated in a lovely building with a large playground area surrounded by trees near Wimbledon Village and the Common. The School remained in the hands of the Turner family until June 2006 when it was purchased by King's. WCPS has an excellent reputation and feeds pupils through to King's and many other respected schools.

From September 2027, we look forward to welcoming girls and boys into the Reception year at WCPS, applying to join the school through the 2025-26 admissions cycle. By September 2029 WCPS will be a fully co-educational school. It is our belief that, as a co-educational community, we will enrich the educational experience of all our pupils and the preparation we offer them – when the time comes – for their lives in the world beyond school.

Girls have long played an integral role within the Corporation of King's, and it has been a longstanding ambition of the governors to extend co-education throughout the Corporation. This long-term aspiration has been given fresh impetus by the Corporation's recent acquisition of a new site on The Downs, located just a few minutes' walk from the school, where it is planned that a new, world-class junior school will be built.

As we look forward to welcoming girls as well as boys throughout the school over the coming years, we remain focused on offering an outstanding education for all our pupils.

INCLUSION AT WCPS

As part of King's, we are committed to creating an inclusive culture where every member of our community has the right to be known and respected as their authentic self, regardless of race, ethnicity, religion, gender, sexual orientation or disability. This inclusive approach will be genuinely upheld if day by day each of us helps to create a compassionate and supportive environment, one in which each individual feels valued, able to be themselves and are free from any form of intimidation. We do not accept any form of discrimination and will demonstrate this in our behaviours, in the way that we view and treat others and the way that we challenge inequality and discrimination as active and supportive bystanders and allies.

We recognise that discrimination, inequality and exclusion are an issue at all levels in society, and that all institutions must proactively strive to address these issues. To do this, all members of our community recognise that we are responsible for our words and actions. We understand that we are all on a journey and will learn from our mistakes. If conversations are uncomfortable, we will enter them with kindness and an open mind. We celebrate diversity and seek to learn from experiences and perspectives which are not our own. We call out behaviour which is unkind, discriminatory or disrespectful. We understand that all forms of

behaviour, whether in person, at school, or in the virtual world, should be compassionate and rooted in kindness, civility and respect. We appreciate that each member of our community has different circumstances and we endeavour to allocate the resources and opportunities needed to help everyone to thrive and feel a strong sense of belonging.
